Privacy Policy

PLAM Project

Last updated: [Insert Publication Date]

1. Introduction

PLAM is a Telegram Mini App designed for sharing and broadcasting user photos within the PLAM ecosystem.

Data Controller: PLAM Project

Operated by an independent developer

Contact: support@plam.space

The application is intended for users aged 16 years and older.

2. What Data We Collect

Telegram Data:

- Telegram User ID
- Username
- Registration date within PLAM

In-App Data:

- PLAMc balance
- Premium status and expiration date
- Number of uploaded and published photos
- Activity history

Photo Upload Data:

- Uploaded images
- Link and description
- Selected broadcast duration
- Moderation status
- IP address

- Device information (User-Agent)

3. Why We Process This Data

We use data to operate the app, moderate content, calculate balances and premium status, ensure security, and analyze performance via Telegram Mini Apps Analytics SDK.

We do not sell personal data.

4. Data Storage

Approved photos are stored temporarily until publication and until the end of the current day.

Rejected photos are deleted immediately after moderation.

Data is stored on a VPS server located in the Russian Federation.

5. Security Measures

- HTTPS (TLS encryption)
- HSTS protection
- Cloudflare protection
- Security headers
- Telegram initData verification (HMAC-SHA256)
- Secure password hashing (scrypt + salt)
- File size and input validation limits
- Protected admin access

6. Content Moderation

Photos are subject to automated moderation (OpenAI) and manual review by PLAM administrators.

7. Data Sharing

Data may be shared with Telegram, Telegram Mini Apps Analytics SDK, and OpenAI (for moderation).

No third-party advertising trackers or browser cookies are used.

8. User Rights

Users may request access, correction, or deletion of their data, including full account deletion, by contacting support@plam.space.

9. Content Restrictions

Prohibited content includes explicit material, violence, IDs or documents, bank cards, third-party personal data without consent, and images of minors without lawful authorization.

10. Updates

The latest version of this Privacy Policy will always be available at plam.space/privacy.
