Terms of Use

PLAM Project

Last updated: [Insert Publication Date]

## 1. Description of Service

PLAM is a Telegram Mini App that allows users to upload photos, participate in rankings, and earn internal virtual currency (PLAMc).

The application is intended for users aged 16 years and older.

## 2. Virtual Currency (PLAMc)

PLAMc is an internal virtual currency with no real monetary value.

PLAMc cannot be withdrawn as real money and cannot be exchanged outside PLAM.

## 3. Premium Subscription

Premium status is purchased using Telegram Stars.

Premium does not auto-renew.

Refund requests may be reviewed only if premium-exclusive features were not used.

Premium may be cancelled via support without refund once used.

## 4. Timer Reset

Premium users may reset cooldown timers using PLAMc.

A free reset option may be available via sharing functionality.

## 5. Photo Upload & License

By uploading content, users confirm they own the rights or have legal permission.

Users grant PLAM a temporary, non-exclusive right to display content within the platform.

Ownership remains with the user.

## 6. Content Rules

Prohibited content includes explicit material, violence, official documents, bank cards,

third-party personal data without consent, and unlawful images of minors.

All uploads are subject to automated (OpenAI) and manual moderation.

#### 7. Moderation & Disputes

Users may contact support regarding moderation decisions.

Cases involving paid PLAMc may be reviewed individually.

#### 8. Wheel of Fortune & Rankings

Wheel spins guarantee a reward between 2 and 20 PLAMc.

Live broadcast wins are not guaranteed.

Users finishing 1st, 2nd, or 3rd in official weekly or monthly rankings are guaranteed the announced prize at the moment results are finalized, provided no rule violations or fraud occurred.

#### 9. Prizes

Prizes may include PLAMc or Telegram Stars distributed via Fragment.com.

Future real-world prizes will include separate delivery terms.

#### 10. Account Suspension

PLAM may suspend accounts or reset balances in cases of rule violations or fraud.

Users may appeal via support.

#### 11. Service Availability

PLAM depends on third-party services and is not responsible for temporary outages.

#### 12. Limitation of Liability

PLAM is provided "as is" without guarantees of uninterrupted service.

#### 13. Governing Law

These Terms are governed by applicable law.

#### 14. Updates

PLAM may update these Terms at any time. The latest version will be available on the official website.
